

4.2.4 Short Title: Snow White and the Seven Martians

Moved, to extend the Retro Hugo eligibility for films released in only one theater in 1937 and seeing full national release in 1938 under the following section of the WSFS Constitution:

Section 3.4: Extended Eligibility. In the event that a potential Hugo Award nominee receives extremely limited distribution in the year of its first publication or presentation, its eligibility may be extended for an additional year by a three fourths (3/4) vote of the intervening Business Meeting of WSFS.

Proposed by: Helen Montgomery and Diane Lacey

Commentary: *Snow White and the Seven Dwarfs* was released in just one theater on December 21, 1937 (the Carhay Circle Theater). Its national release was on February 4, 1938. We believe this represents a clear case of “limited distribution,” and the work should be allowed to compete for the 1939 Retro Hugos being administered by Loncon 3.
